Strategic Plan

President’s Message
This strategic plan was developed as the overarching plan for the growth and sustainability of Feather River College over the next 4 years from 2016-2020. This plan is different in that it incorporates input from existing committees, accreditation planning, other college goals, and the program review process. The purpose of this Strategic Plan is to provide the basis for all college planning – both in terms of yearly goals and long term goals for the betterment and growth of Feather River College. This is not a standalone plan; it is a dynamic document that will change with new information and provide the basis for long term stability and to ensure alignment with ACCJC accreditation standards. The Strategic Plan provides the measurable outcomes in support of the FRC Mission. The Educational Plan, Strategic Technology Plan, Facilities Master Plan and others exist to support the overall Strategic Plan.

Major objectives:

- FRC will continue to offer quality educational programs for students in support of the FRC Mission.
- FRC will maintain 100% apportionment level funding from earned FTES.
- FRC will improve in the California Community College Student Success Scorecard measurable outcomes.
- Student Services will meet or exceed requirements for the Student Support Services Programs, Basic Skills Initiative, and Student Equity Plan.
- FRC will continue to sponsor and support, in keeping with its Mission, liberal arts and sciences. (Including general education and transfer), vocational education and developmental education
- Enrollment in general education will continue to increase, because of increased number of fulltime students.

- There will be an ongoing demand for distance education, noncredit courses, Incarcerated Students Program, and other instructional service agreements.
- FRC will offer one bachelor’s degree in Equine and Ranch Management.

Structure and Philosophy of the Plan
Feather River College has many levels to its institutional planning. Annual program reviews (APRs) are submitted by each program and department to provide yearly planning goals, SLO integration, and budget development in support of program goals. Comprehensive Program Reviews (CPRs) occur every four years and is designed to provide a more in-depth analysis of data and SLO achievement information. In addition, an action plan was included with the recent ACCJC institutional self-evaluation that provided a planning agenda for recommendations from the site visit and noted self-improvement list of objectives. Finally, existing committees have been charged with developing yearly goals in support of the objectives from the Strategic Plan.
The overall goals for the Feather River College 2015-2019 Strategic Plan are organized under the four ACCJC accreditation standards and provide a foundation for integrated planning.

Feather River College uses its mission and other philosophical statements as the overarching goals for the district. Strategic Direction I assures that the college will work to improve institutional effectiveness through the execution of the mission, effective communication, quality assurance, and measuring institutional effectiveness. Strategic Direction II ensures high-quality educational programs and student support services for all students. Standard III provides for the analysis and planning of resources that support the FRC mission, including personnel, facilities, technology and providing fiscal support while maintaining fiscal stability. Strategic Direction IV defines and measures the roles of decision-making processes and ensures that the college has a sufficient structure to support the mission.

FRC allocates resources to programs to effectively support the student learning identified in the mission while maintaining fiscal stability. Program leaders will link program plans (comprehensive and annual program reviews) to strategic directions. One of the criteria for funding programs will be the degree to which proposed objectives further Feather River College’s mission and strategic directions. Committees, programs, and employees of the district (through their regular duties) will work toward the execution of the mission.
