## ***Update to Students: 6/1/2020***

Good afternoon Golden Eagles!

Spring semester has officially ended! Way to hang in there! We have all learned a lot over the last 10 weeks. Below are a few updates.

**Final Grades** are posted in your student portal (MyFRC).

### **Graduation**

Congrats again to all of our grads! If you were not able to tune in on Friday, the link to the virtual graduation is: <https://youtu.be/oErWcrv3nCY>. It is also accessible from the FRC homepage. The Admissions and Records Office is printing diplomas and we anticipate they will be mailed by mid-June.

### **Summer Classes**

Most summer classes begin next Monday (6/8). The schedule is below. Summer classes are a great way to catch up or get ahead! It is not too late to sign up - contact your advisor this week!

### **Support Services** during Summer

While the college is closed on Friday's during June and July, most Student Support Services are still available. Click [HERE](#) for more information.

### **Fall Semester**

We continue to remain optimistic that we will offer on-campus instruction this fall, unless it is impossible to safely do so. We will keep you updated as our planning evolves. Remember to contact your advisor/counselor to sign up for classes!

### **Financial Aid**

Our FA staff has been busy processing 2020-2021 FAFSA's! Check your student portal (MyFRC) for more information. Contact the FA office if you have any questions or need assistance completing your FAFSA.

Summer weather is here and you all deserve to have some fun! We hope that you will continue to be responsible and safe while also continuing to practice social distancing to help stop the spread of COVID.
